Free Keyrings with all NEW saddle registrations

We are now offering a free keyring with your saddle's unique serial number on to all of you who register your newly purchased saddles.

BETA 2010 Business Awards—success!

At our industry's annual awards, Black Country Saddles had the honour of being nominated in 3 categories and on the night received Runners Up in both the BETA Trade Supplier of the Year and ETN Sales Representative of the Year (Nikki) a true achievement we feel, when we only lost out to a company as large and well known as Horsewear Ireland!

BCS— Leather Stud Guard Girth

BCS— Atherstone Leather Girth

In addition to our very popular leather dressage girth we now also have available a new Stud guard girth and Atherstone girth.

Both feature exceptional stitch work and an anatomically shaped design. Long strap ends to allow a greater width of strap/billet arrangement and the omission of elastic enhances the saddle stability when using these girths.

Nylon reinforcement throughout.

Available in black or brown, sizes 34" (86cm) through to 56" (142cm).

All made in the finest quality leather and easy fastening stainless steel roller buckles. Hand made in England and therefore other custom sizes/colours to order.
